About The Dripclub

Dripclub is the industry leader in the delivery of Intravenous Nutrient Therapy, Cosmetic Injectables and Body Treatments.

We're changing the way we think about wellness, continually seeking new ways to improve service and enhance our skills. A one size fits all approach isn't in our vocabulary, therefore, your service will never be painted with a general brush.

Empower people to take charge of
their health, wellness & wellbeing.

As the Founder and Director of The Dripclub, Kim Raffin utilises her experiences as an entrepreneur, nurse, mother, and passionate health advocate daily. A forward thinker, Kim envisions growing The Dripclub business model to a sustainable Australian franchise within the next 2-3 years. With around 40 employees and 2 Adelaide-based locations, Kim's growth is proving this goal is well on track to come to fruition.

Benefits of being a Franchisee

Branding & Marketing Assets

With a beautiful brand aesthetic and functionality for enhanced user experience, The Dripclub brand and marketing assets will set you up for success.

01

Own it *yourself*

As a businessperson, owning your own establishment is a significant incentive. At The Dripclub, we love to help facilitate this by giving you the tools and support needed to own and operate your flourishing franchise.

We're here
to *help*

02

Support

Providing a robust and sustainable business model, our communication won't end after you put pen to paper.

The Dripleub is just that, a club where we pool together our resources and knowledge to assist one another. The system utilises both the franchisee and franchisor exchanging knowledge and experiences.

03

Personal *growth*

Operating a franchise gives a holistic and vivid insight into business operations and management. The personal growth and business experience gained from owning your own business is unrivalled. We're always thrilled to facilitate a sure-fire way to submerge keen learners in a pool of knowledge and experience.

Enhance your skills

04

Continual *development*

One of The Dripclub's core values is to continually seek new ways to improve service and enhance our skills. As a franchisee and extension of the main model, we expect our franchisees to embody and action this value daily by promoting an ever-learning and evolving state of mind.

05

Influence *others*

Acting with the utmost integrity in every interaction, The Dripclub offers the opportunity to influence positive change in the wellness sphere. We're changing the way we think about wellness and part of that is offering tailored solutions - knowing that health requirements differ from person to person.

06

At The Dripclub we perceive ourselves as more than a business or medical clinic. We're a point of contact for those searching for solutions and optimisations in their health and lives - utilising nutrition and lifestyle.

With a unique client-centric model we soundly achieve this!

More
